TESTIMONIALS

Rev. Rosemary...

Thank you again for all your help and the beautiful ceremony you gave us! It was exactly what we wanted - and more! The process of getting married there again for everything - we really do appreciate it.

[KINDERGARTEN ADMISSIONS](#)

Every year, Dr. Takahashi Juku successfully prepares students and their families for kindergarten admissions into Hawaii's top private schools. Knowing that the kindergarten admissions process can place a lot of stress on students, for each student we develop a custom curriculum that will help your child successfully navigate the process.

LEE SIEGEL
Professor
Ph.D., Oxford University, 1975

Lee Siegel's publications, dealing particularly with the aesthetic, erotic, and comedic dimensions of religious experience, are expansive and include explorations of the connections between religion and fiction; he teaches an undergraduate introduction to religion, a graduate seminar on Indian religious literature, and directs research projects on the history of Indian religions and on the development of Indian religious studies. In both his research and teaching endeavors at the graduate level, he is also concerned with the development of a poetics...
